Welcome to Poppy Lane! We offer booth space for Vendors with a hands-on approach to their business inside Poppy Lane. We are so excited to hear from you! Please take a moment to fill out the application below. You can email it to: Poppylanehelp@gmail.com. We will review it and get back to you soon.

We offer our Vendors the opportunity to work shifts for a lower consignment fee. This option requires a lot of involvement. We also offer a consignment option for an extra small fee, giving consignors the freedom to drop off product for us to handle.

Please describe your style and the merchandise you will bring to Poppy Lane. Photos are great if you have them!

What past events have you participated in and how was the experience?

How much space will you require? We have a range of booth sizes.

Are you interested in working any shifts a month to reduce your consignment fee?

And, of course... Why should we choose you to join us at Poppy Lane?
